CLASS SONG

Emmanuel, Emmanuel, we greet;
Our love-charged hearts salute you here, 'tis meet.
You gave us joy, you gave us culture's lore,
You nourished hearts and minds with your vast store.
The days we spent beneath your stately towers
Will ever be enshrined in memory's bowers.
Emmanuel, your glow will light our way.
Emmanuel, God's blessing on you stay.

We sue for strength to lead our lives in tune
With your blest teaching, now to us great boon.
We turn to you in gratitude's fond strain,
And sing to you our loyalty again.
Our College stands a citadel of power
Where Truth and Learning grace each golden hour.
To you, our Alma Mater, thanks and love;
On you rain rarest blessings from above.

ANN KATHERINE MURRAY

TREE SONG

Our tree we plant will be an added beauty
Upon our campus golden-rayed by sun.
'Twill lift its leaves in prayerful imitation,
'Twill sign for us our days here are done;
And as it grows by Nature's care so tender,
May it our thanks and fond love entwine.

Some days there will be sunshine, then rush chill rain,
To help our tree to strength and beauty grow.
To us God sends rare blessings, then lets fall pain
To make us strong as through life we go.
When sunbeams break through showers, then a rainbow
Beams on our days, for courage sublime.

CAROLYN ANN CREMENS
Let us lift, in loving prayer, hearts and minds to Thee, our King;
Lord and Savior of our souls, praise we shall forever sing.
Praise to Thee, Emmanuel; high praise to Thee, our voices swell;
Praise to Thee, Emmanuel; high praise to Thee, our voices swell.

From Thee, Emmanuel, doth flow burning streams of love and grace,
Source of goodness and of light, worldly shades cannot efface.
Love to Thee, Emmanuel, great love to Thee, our true hearts tell;
Love to Thee, Emmanuel, great love to Thee, our true hearts tell.

All to us,—yet some return and humbly now we beg to give;
Take our trusting hearts until adoring at Thy feet we live.
Thanks to Thee, Emmanuel, Thy glory, hearts and voices tell;
Thanks to Thee, Emmanuel, Thy glory, hearts and voices tell.

Mary Alma Fitzgerald
