Dear Melon; you’ve survived the four years at Emmanuel and we have to. We hope that all the times-good and bad- will be memorable ones. We’ve helped you over the stepping stones of your future, now it is time to venture on your own. Best of luck and success. Love Mom and Dad

Kimberly you have made us very proud today and for all your four years at Emmanuel. May god bless you and guide you as you go forward from today to the rest of your life love Mom and Dad

Liana our money, our food and our times has proudly gone into your college education. Hoping that we brought you up right we sent you off to grow and learn. Now we hope that you find success in all you do. In our hearts you have our love and you’re already someone important, so become someone great.

As dedications go this one will certainly be one for the books! For it is our class that has taken a stand and dedicated this yearbook to ourselves the one and only, class of ’92. And if we must say so ourselves we deserve this honor.

Let’s look back at our four years. What do you see? Do you see a class that “helped” the college institute freshman seminars for guest privileges? Or do you view a class that started or revitalized the following: Environmental Awareness Club, the Advocate and Women of Color (BSO)?

We are a class of women who excelled academically and socially in our Emmanuel community and its surrounding area. We know what we want and how to get it. We have inner strength that has allowed us to cause change in and around ourselves. We have made significant variations that will be forever felt at Emmanuel. JUST THINK OF APRIL FOOLERY ’92!!!

As the old song goes ... "Oh What A Night"; well we the class of '92 could change that to "Oh What A Week". Thanks to our class officers our senior week was not only fun filled and adventurous, but also didn't break our banks.

Early May back in '92 we started with a toast and cheer and ended with a degree and tears. A great week was had by ALL!

As we made our memories we also made lasting impressions on the places we visited. We roared through Rocky Point and romped through Newport, RI. Hung out at a barbecue and hopped from bar to bar. (Who can forget Cheers on the infamous phone call to Sr. Janet?) Floated across a dance floor and fulfilled all of our dreams on May 16th, 1992.

Senior week will always be a time in our lives that we will cherish and remember as the good ole days when we were YOUNG, WILD and FREE!!!!!!
Baccalaureate Mass/
Student Life Awards

'Twas the night before graduation and all through the Quad. The chairs and tent were ready as we listened to Father Jerry who led us through the Mass and we realized it was our last. The night of yearbook dedication and award appreciation.
Graduation -
Our Last Step.

Being a woman is hard work. Not without joy and even ecstasy, but still relentless, unending work. Becoming an old female may require only being born with certain genitalia, inheriting long-living genes and the fortune not to be ran over by an out-of-control truck, but to become and remain a woman command the existence and employment of genius.

The School Ring

The college seal is engraved in the school ring. At the base of the shield, in gold, is the trimount. This appears also on the Arms of the Archdiocese of Boston, symbolic of the fact that Boston was built on three hills. The use of the trimount on the Arms, identifies Emmanuel as a college in the Archdiocese of Boston. From the trimount springs three lilies. The lily reminds us of the fact that the Sisters of Notre Dame originated in France, the land of the fluer-de-lis. The lily supports an open book, the symbol of learning. Across the pages is inscribed the sacred name Emmanuel, “God with us”, in the original Hebrew, so placed on the Arms to signify that a knowledge of Christ the Lord is the aim and crown of all learning. The stone in our traditional ring is the Lapis Lazuli. It symbolizes constancy, truth, and honor, values that we strive to attain in our youth and those that we try to maintain as graduates of Emmanuel College.
The Ring Prayer

O Emmanuel, we ask your blessing as we gather before you today and receive our Emmanuel rings, making us now and always your daughters.

We ask that the ring become a symbol of this time in our lives, a time when we attempt to define in ourselves the meaning of community.

Knowing a woman's gratitude for all that has been given to us, may we find a means to express our appreciation to our parents, families and all our friends for helping to make us what we are today.

Sharing a concern for all that is True and Real, may we see beyond the limits of self and respond with tenderness and enthusiasm to all that is important to us and the ones we love.

May our education here contribute to the fullness of our womanhood, making us aware of our responsibility to love, and through love, to give.

May the spirit of the Creator of all life be in us so that we may witness to the world a firm assurance of Emmanuel God with us.

Alma Mater Hymn

Alma Mater, honored Mother,
Guardian of our youth,
Guiding hand, with thee we stand
Upon the way of truth.
Emmanuel, we hail thee!
Thy glorious deeds unfold:
We pledge our loyalty to thee.
'Neath the banners of blue and gold.

College Prayer

"O Emmanuel, our King and Lawgiver, the Expected of the nations, and their Savoir, come to save us, O Lord, our God."
