DENNIS LEHANE

Commencement Speaker Dennis Lehane is an award-winning writer and educator whose novels have become international bestsellers and have been translated into 28 languages. He received the Shamus Award for his first novel, A Drink Before the War, in 1995. Since that time he has published six more bestselling novels: Darkness, Take My Hand; Sacred; Gone Baby Gone; Prayers for Rain; Mystic River; and Shutter Island. His most recent work, the acclaimed historical novel The Given Day, focuses on the Boston Police Strike of 1919. Lehane reached the New York Times bestseller list with Mystic River, winner of the Anthony Award for Best Novel, the Barry Award for Best Novel, the Massachusetts Book Award in Fiction and a finalist for the PEN/Winslow Award. The film adaptations of both Mystic River, directed by Clint Eastwood, and Gone Baby Gone, directed by Ben Affleck, have garnered numerous awards. The film adaptation of Shutter Island, directed by Martin Scorsese, is scheduled for release this fall. Lehane is a native of Dorchester, Massachusetts and a graduate of Boston College High School. He completed undergraduate studies at Eckerd College in St. Petersburg, Florida and earned an M.F.A. from Florida International University. He is currently the writer-in-residence at Eckerd College.

CATHERINE E. COSTELLO ’64

Catherine E. Costello holds appointments as Professor of Biochemistry, Biophysics and Chemistry at Boston University School of Medicine. She founded and directs both the Mass Spectrometry Resource and the Cardiovascular Proteomics Center there, pursuing longtime interests in biological chemistry and mass spectrometry. She is internationally recognized for her work and has served as the president of the American Society for Mass Spectrometry. She has also served on Emmanuel's Science Advisory Council for the past three years. She obtained her undergraduate degree in chemistry from Emmanuel and her master's and Ph.D. in organic chemistry from Georgetown University, then completed postdoctoral work at the Massachusetts Institute of Technology.

PAUL GUZZI

Paul Guzzi serves as President and Chief Executive Officer of the Greater Boston Chamber of Commerce where he is a leading advocate for economic development and job creation. He enjoyed a distinguished career in public service, including being elected state representative from Newton in 1970 and then Massachusetts Secretary of State in 1974. He later served as chief of staff for Governor Edward King and chief administrator of the Board of Regents of Public Higher Education. His career in the private sector has included roles at Boston College, Heidrick & Struggles, Data General Corporation and Wang Laboratories. He is a graduate of Harvard University with a Bachelor of Arts degree in government.

ACADEMIC REGALIA

The academic attire worn at Commencement has its origins in the Middle Ages. The purpose of academic regalia is to display the academic and scholarly achievements of the wearer. From the cap, gown and hood it is possible to distinguish the institution from which the wearer graduated, the field of learning in which his or her degree was earned, and the level of degree.

Academic hoods are the most distinctive feature of academic attire in the United States. They are the visual representation of scholastic degrees, and their design is authorized by the Intercollegiate Bureau of Academic Costume. Hoods are lined with the official color of the college or university conferring the degree, and the velvet detail represents the learning discipline. All Emmanuel College hoods are black with blue and gold lining and the following colors represent each discipline:

<table>
<thead>
<tr>
<th>Bachelor of Arts</th>
<th>White</th>
<th>Master of Science in Management</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor of Science</td>
<td>Gold</td>
<td>Master of Science in Human Resource Management</td>
</tr>
<tr>
<td>Bachelor of Fine Arts</td>
<td>Brown</td>
<td>Master of Education in School Administration/Master of Arts in Teaching</td>
</tr>
</tbody>
</table>

The honorary hoods are white for Doctor of Humane Letters, purple for Doctor of Laws and bright yellow for Doctor of Science.

The mortar board hats and soft caps are black. Prior to receiving the bachelor’s degree, the tassel is worn on the right. The graduates ceremonially turn the tassel to the left at the end of Commencement Exercises. Doctoral tassels are gold. Bachelor’s degree candidates who are members of academic honor societies wear cords to represent this achievement.

Gowns are normally black, and the level of the degree is indicated by the gown’s cut. Colored doctoral gowns represent the school colors of the college or university that awarded the doctoral degree. The blue and gold gowns of the platform party comprised of trustees and honorees represent the Emmanuel College colors. Other dignitaries choose to wear their own institution’s robes. The President of Emmanuel College wears her doctoral robes from the University of Michigan, along with the Emmanuel College Presidential Medallion that was presented to her on the occasion of her 20th anniversary as President.

Students who have studied abroad will wear a sash that is one-half white and the other half bearing the colors of the flag of the country where they studied. International students will wear sashes that bear the colors of the flag of their countries.

ACADEMIC HONORS

Latin Honors are awarded to full-time bachelor’s degree candidates who have achieved high scholastic performance based on grade point averages. The honors are *cum laude*, *magna cum laude* and *summa cum laude*.

Presidential Honors are awarded to part-time bachelor’s degree candidates who have achieved high scholastic performance based on grade point averages.

Distinction in the Field of Concentration is awarded to bachelor’s degree candidates who receive a specified grade point average in major courses and who complete successfully a significant senior project.
Emmanuel College, founded by the Sisters of Notre Dame de Namur in 1919, is a coed, residential, Catholic liberal arts and sciences college located in the heart of the city of Boston. Its beautiful 17-acre campus is neighbored by a world-class medical center, two major art museums and Fenway Park. Its unique location allows students and faculty opportunities to explore real-world experiences through internships, research and strategic partnerships within the Longwood Medical and Academic Area and the city of Boston. Emmanuel is a community with a lifelong passion for teaching and learning rooted in the commitment to rigorous intellectual inquiry and the pursuit of social justice. Today, Emmanuel College continues to embrace its founding mission to transform lives and make a better world.

Congratulations to the Class of 2009 as you graduate from Emmanuel College!
